

ACADEMIC AWARDS AND HONOR SOCIETIES

Undergraduate Academic Awards

Academic Affairs

BRAMS Scholar Award

This award is presented annually to a graduating high school senior who is part of the Quinnipiac University/Betsy Ross Arts Magnet School Partnership. Award recipients are selected based on academic achievement.

President's Scholarship Award

This award by the president of Quinnipiac goes to the student who has attained the highest scholastic standing in the graduating class and who has completed at least 90 credits at Quinnipiac by the time of Commencement.

Student Writing Awards

Quinnipiac University Writing Across the Curriculum recognizes exemplary student writing both in and across the disciplines. Students working in the arts, humanities, social sciences, communications, STEM, business, nursing and health sciences have received cash prizes, gift cards, books and the honor of having their writing published in the Quinnipiac University Casebook, as published by the College of Arts and Sciences and edited by the First-Year Writing Program.

Alumni/Parent Relations

Alumni Association Academic Achievement Awards

At graduation, the Alumni Association presents an award to the student from each of the undergraduate schools who has attained the highest scholastic standing and who has completed 90 credits at QU by the time of Commencement. These awards are made possible by the Alumni Association Board.

Alumni Chair Award

This award honors the graduating senior who has demonstrated outstanding leadership, commitment to creating student awareness of the Alumni Association and facilitating increased interaction between alumni and students.

College of Arts and Sciences

Christopher Becker Memorial Prize in History

The History Department awards the Becker Prize to the graduating senior with the highest overall grade point average.

Beta Beta Beta Award

This award is presented to the graduating senior in the Department of Biological Sciences who is a member of the Beta Beta Beta National Biological Honor Society (Upsilon Chapter) and has attained the highest academic standing.

College of Arts and Sciences Award for Special Achievement

This award is given to the graduating senior in the College of Arts and Sciences who has a record of exceptional achievement in the face of adversity. The award was established in honor of Morris Woskow, former professor of psychology and dean.

James Fickes Award for Excellence in Mathematics

This award is given to the senior mathematics major who has shown the greatest achievement and future promise as a mathematician, and who has demonstrated leadership both in and outside the classroom.

Barry Fritz Award in Psychology

This prize is given each spring to a senior in psychology who has completed an independent study project that is both creative and relevant. These two qualities characterized the research of Professor Barry Fritz, in whose honor the award was established. To be considered, the project must be completed by the fall of senior year, but also could be completed in previous years.

Joan Phillips Gordon Prize in Sociology

This award, in honor of Joan Phillips Gordon, former chair of the sociology department, is presented annually to a senior in sociology or gerontology who has demonstrated outstanding academic and leadership qualities.

The Lynne Gershenson Hodgson Prize in Gerontology

This award, in honor of Professor Emerita Lynne Gershenson Hodgson, former chair of the Department of Sociology and Anthropology, is presented annually to a senior gerontology major or a departmental major who has pursued interests related to the field of gerontology, and who has demonstrated outstanding academic and leadership qualities.

Legal Studies Book Award

This prize is given annually to the senior Law in Society student with the highest grade point average who has demonstrated exceptional ability in the major, and who has contributed to the departmental culture of excellence.

Outstanding Engagement in the Field of Anthropology

The Outstanding Engagement in the Field of Anthropology award is given to a graduating Quinnipiac senior who embodies and exemplifies the core values and ethos of the discipline. The award is given to a student who has sought opportunities to share their knowledge of the field with others, either through outreach, research or other forms of service; has incorporated anthropological lessons and ideas into their overall college experiences; and demonstrates the importance of learning with, and from, others.

Benjamin Page Award in Philosophy

This award, in honor of Professor Benjamin Page, who demonstrated extraordinary commitment to philosophy at Quinnipiac for more than 40 years, is given to the graduating student who has similarly contributed to upholding the value of philosophy at Quinnipiac.

R. Gordon Pauluccy Graduation Prize in Psychology

This award, established by the Pauluccy family, is made annually to the senior major in psychology who has the highest overall grade point average.

Political Science Best Senior Thesis Award

The political science faculty established this award to recognize graduating senior students in political science who have submitted outstanding as well as original theses.

Political Science Outstanding Senior Award

This award recognizes a senior in political science who has shown high academic achievement, made a significant contribution to campus life and/or shown excellent leadership qualities.

Ronald J. Quirk Spanish Writing Contest

The Department of Modern Languages, Literatures and Cultures sponsors an annual Spanish writing contest. Eligible students are junior or senior Spanish majors who write an essay in Spanish, which is judged by departmental professors. The first- and second-place winners are honored at the College of Arts and Sciences award dinner with a commendation and a monetary prize.

The Matt Rafferty Memorial Economics Department Student Achievement Award

This award is given to the student majoring in economics who has shown outstanding academic achievement and contributed significantly to the department.

Rachel Ranis Prize in Social Justice

This award, conferred in recognition of Professor Ranis, is presented to a senior in sociology or gerontology who has demonstrated a passion for social justice.

Alice B. Remail Memorial Award

This award is presented to the graduating student majoring in English with the highest academic record and is given in memory of a distinguished member of the department.

Aurea C. Schoonmaker Hispanic and Latin American Studies Award

In honor of Professor Aurea C. Schoonmaker's 43 years of exemplary teaching at Quinnipiac University, this prize is awarded to the senior Hispanic and Latin American Studies major with the highest grade point average.

Senior Service Prize in Criminal Justice

This award is presented to the senior criminal justice major who exhibits extraordinary service to the program, campus life and community.

Alfred P. Stiernotte Memorial Prize

This award is presented to the graduating student who has earned distinction in the study of philosophy.

Orville J. Sweeting Memorial Chemistry Award

This award, in memory of Orville J. Sweeting, former faculty member and Quinnipiac provost, is presented to a graduating senior who has exhibited outstanding achievement in both the academic and senior research setting in chemistry or biochemistry.

School of Business

Award for Academic Excellence - Bachelor of Business Administration

This award is presented to a graduating Bachelor of Business Administration student who has demonstrated outstanding academic achievement in the program.

Bellizzi-McMullen Leadership Award

The Bellizzi-McMullen Leadership Award is named in memory of Professor Emeritus Frank Bellizzi and Professor Emeritus Ron McMullen, who are together recognized for their dedication and passion in cultivating the leadership skills of Quinnipiac students. Well loved by students and faculty, Professors Bellizzi and McMullen embodied the values they taught – emotional intelligence and compassion for others. This award is given each year to a senior Management student who exhibits the qualities consistent with these values. This award recognizes students who demonstrate emotional intelligence and compassion in leadership roles, on campus or in the community, and superior academic performance.

Biomedical Marketing Department Student Achievement Award

This award is presented to a graduating student exhibiting outstanding scholarship, independent creativity and extracurricular activities directly related to biomedical marketing.

Business Analytics Outstanding Senior Award

This award is presented to an outstanding Business Analytics senior in recognition of academic excellence and student leadership.

Entrepreneurship Student Achievement Award

This award is presented to the senior entrepreneurship major who has demonstrated outstanding achievement in entrepreneurial activities and academic performance.

Finance Department Outstanding Senior Award

This award is presented to a graduating senior for academic achievement in finance.

International Business Award

This award is given to a graduating senior in international business for demonstrating academic excellence and professional qualities within the international business program.

Ronald Marangell Award

This award is presented to an outstanding graduating accounting major in memory of Ronald Marangell, a former Quinnipiac accounting student.

Marketing Department Student Achievement Award

This award is presented to a student possessing expertise in marketing who has made contributions to the field and the marketing department.

Bruce Saulnier Computer Information Systems Outstanding Senior Award

The Bruce Saulnier Computer Information Systems (CIS) Outstanding Senior Award is named in memory of Professor Emeritus Bruce Saulnier, who is recognized for his dedication and commitment to developing the whole student. Professor Saulnier understood and modeled the importance of living each day to the fullest. He encouraged his students to get involved outside the classroom and to enjoy the journey. This award is given each year to a senior CIS student in recognition of not only their academic excellence, but also their leadership and involvement on campus or in the community.

Edward J. Scannell Prize

This award, in memory of a former trustee, is given to two graduating business students who have demonstrated outstanding citizenship.

School of Communications

Outstanding Achievement in Advertising and Integrated Communications

This award is presented to a graduating senior from the School of Communications in the advertising and integrated communications program, who has shown high academic achievement, made significant contributions to the program, campus life and/or has shown excellent leadership qualities on campus.

Outstanding Achievement in Film, Television and Media Arts (BA)

This award is presented to a graduating senior from the School of Communications in the film, television and media arts bachelor of arts program, who has shown high academic achievement, made significant contributions to the program, campus life and/or has shown excellent leadership qualities on campus.

Outstanding Achievement in Film, Television and Media Arts (BFA)

This award is presented to a graduating senior from the School of Communications in the film, television and media arts bachelor of fine arts program, who has shown high academic achievement, made significant contributions to the program, campus life and/or has shown excellent leadership qualities on campus.

Outstanding Achievement in Graphic and Interactive Design

This award is presented to a graduating senior from the School of Communications in the graphic and interactive design program, who has shown high academic achievement, made significant contributions to the program, campus life and/or has shown excellent leadership qualities on campus.

Outstanding Achievement in Journalism

This award is presented to a graduating senior from the School of Communications in the journalism program who has shown high academic achievement, made significant contributions to the program, campus life and/or shown excellent leadership qualities on campus.

Outstanding Achievement in Media Studies

This award is presented to a graduating senior from the School of Communications in the media studies program who has shown academic achievement, made significant contributions to the program, campus life and/or shown excellent leadership qualities on campus.

Outstanding Achievement in Public Relations

This award is presented to a graduating senior from the School of Communications in the public relations program, who has shown high academic achievement, made significant contributions to the program, campus life and/or has shown excellent leadership qualities on campus.

Overall Achievement Award

This award is presented to a graduating senior from the School of Communications who has shown high academic achievement, made significant contributions to the program, campus life and/or shown excellent leadership qualities on campus.

School of Computing and Engineering**Outstanding Achievement in Civil Engineering**

This award is presented to an outstanding civil engineering senior in recognition of academic excellence and student leadership.

Outstanding Achievement in Computer Science (BA)

This award is presented to an outstanding BA in computer science senior in recognition of academic excellence and student leadership.

Outstanding Achievement in Computer Science (BS)

This award is presented to an outstanding BS in computer science senior in recognition of academic excellence and student leadership.

Outstanding Achievement in Industrial Engineering

This award is presented to an outstanding industrial engineering senior in recognition of academic excellence and student leadership.

Outstanding Achievement in Mechanical Engineering

This award is presented to an outstanding mechanical engineering senior in recognition of academic excellence and student leadership.

Outstanding Achievement in Software Engineering

This award is presented to an outstanding software engineering senior in recognition of academic excellence and student leadership.

School of Health Sciences**Biomedical Sciences Achievement Award**

This award is given each year to a senior majoring in biomedical sciences who has demonstrated exceptional academic achievement and who has contributed significantly through service to the Quinnipiac community and to the greater community beyond the university.

Diagnostic Medical Sonography Achievement Award

This award is given each year to a senior majoring in diagnostic medical sonography who has shown exceptional academic achievement and who has contributed significantly to the department.

Health Science Studies BS Degree Completion Program Achievement Award

This award recognizes a graduating senior from the part-time, online, Health Science BS-Completion Program who has shown exceptional academic achievement.

Health Science Studies Student Achievement Award

This award is given each year to a senior majoring in health science studies who has shown exceptional academic achievement and has contributed to the program, school or university.

Medical Microbiology and Immunology Student Achievement Award

This award is presented annually to a senior medical microbiology and immunology major who has demonstrated exceptional academic achievement, and who has contributed significantly to the understanding, promotion and advancement of medical microbiology and immunology.

Bachelor of Health Science Studies/Master of Occupational Therapy Program Senior Academic Achievement Award

This award recognizes a graduating senior who has demonstrated outstanding academic work in all aspects of the curriculum (didactic, clinical, laboratory) including distinguished contributions to the occupational therapy department.

Bachelor of Health Science Studies/Doctor of Occupational Therapy Program Senior Academic Achievement Award

This award recognizes a graduating senior who has demonstrated outstanding academic work in all aspects of the curriculum (didactic, clinical, laboratory) including distinguished contributions to the occupational therapy department.

Bachelor of Health Science Studies/Occupational Therapy Program Senior Service Leadership Award

This award recognizes a graduating senior who has demonstrated distinguished service to the university and community at large while exemplifying the values of the occupational therapy profession.

Ryan J. O'Neil Academic Excellence Award

This award is presented to the senior Entry-Level Master's Physician Assistant (ELMPA) student who has most exemplified leadership, academic excellence, a cooperative attitude and the strength of character of a future healthcare professional. The award is in memory of Ryan J. O'Neil, a former ELMPA student.

Harold Potts Memorial Physical Therapy Award

The award, given in memory of Harold Potts, former chairman, professor and founder of the physical therapy program at Quinnipiac, is presented from the faculty to an undergraduate third- or fourth-year physical therapy student, who will be entering into the graduate program in the coming year, who has demonstrated academic and leadership excellence, as well

as exemplary service to the program, community and has the potential for exemplary service to the profession.

Radiologic Sciences Student Achievement Award

This award is given each year to a graduating senior majoring in radiologic sciences who has shown exceptional academic achievement and who has contributed significantly to the department.

Joseph J. Woods, PhD, Athletic Training/Sports Medicine Outstanding Student Award

This award is given to a senior athletic training student in good academic standing that emulates the legacy Joseph J. Woods, PhD, set forth by putting others first. This student has demonstrated leadership qualities, commitment to community service, good mentorship and outstanding character. This student has made a meaningful impact to the Athletic Training and Sports Medicine program, the School of Health Sciences or the Quinnipiac community at large.

School of Nursing

Holistic Nursing Practice Award

This award recognizes clinical excellence and exceptional potential in the discipline of nursing. It is presented to the senior nursing student who has demonstrated a strong commitment to the unity of body, mind, emotion and spirit in the delivery of health care.

Keiser Foundation Student Loan Repayment Award

The Keiser Foundation Award is presented after graduation to two senior or graduate nursing students with preference given to United States veterans. The students are chosen based upon financial need, merit and extracurricular commitment in the healthcare field.

Benjamin T. and Juliette Adelle Trewin Award for Academic Excellence in Nursing

This award recognizes academic excellence and exceptional potential in the discipline of nursing. It is presented to the senior nursing student with the highest overall grade point average. The award is supported by the Benjamin T. and Juliette Adelle Trewin Memorial Endowed Fund, which was established for the nursing program by Estelle Trewin Beecher in memory of her parents.

Benjamin T. and Juliette Adelle Trewin Award for Professional Leadership in Nursing

This award recognizes outstanding leadership and exceptional potential in the discipline of nursing. It is presented to the senior nursing student who has made significant contributions to the nursing program and the greater community of nursing. The award is supported by the Benjamin T. and Juliette Adelle Trewin Memorial Endowed Fund, which was established for the nursing program by Estelle Trewin Beecher in memory of her parents.

Student Affairs

Cardinal Joseph Bernardin Distinguished Service Award

This award recognizes a graduating senior who has contributed significantly to the spiritual, religious and moral welfare of the Catholic community at Quinnipiac.

Outstanding Senior Award

This award is given to a graduating senior who has at least a 3.25 GPA; is in good standing with the university and has sustained engagement in a student organization, program or cause on campus or in the community over their Quinnipiac career; evidenced learning through the achievement of multiple personal or professional goals; developed

excellent collaboration skills; and demonstrated dedication and impact in the university and surrounding communities.

Outstanding Student Affairs Leadership Award

This award is given to a graduating undergraduate Quinnipiac student who has achieved at least a 3.25 GPA; is in good standing with the university and has demonstrated outstanding leadership qualities; worked closely with university staff on at least one project, program or initiative; exhibited a cooperative attitude; and measurably improved the student experience at Quinnipiac.

H. Pearce Family Community Leadership Award

This award is given to a graduating undergraduate Quinnipiac student who is in good standing with the university and has best exemplified the spirit of volunteer community service during their years at Quinnipiac University.

Philip Troup Achievement Prize

In honor of the first president of Quinnipiac, this prize is given to a graduating senior who has contributed most to the welfare of Quinnipiac through strength of character and qualities of leadership.

Graduate Academic Awards

Academic Awards

- Master of Business Administration
- Master of Science in Accounting
- Master of Science in Business Analytics
- Master of Science in Computer Science
- Master of Science in Cybersecurity
- Master of Science in Interactive Media and Communications
- Master of Science in Journalism
- Master of Science in Organizational Leadership
- Master of Science in Public Relations
- Master of Science in Sports Journalism
- Professional Master of Business Administration

Academic Excellence Awards

These awards recognize the outstanding academic achievement of graduate students who have completed their programs of study. In the opinion of the program directors, these students have excelled in all phases (didactic and/or clinical/laboratory) of their graduate education.

- Doctor of Nursing Practice
- Entry-Level Master of Occupational Therapy
- Entry-Level Doctor of Occupational Therapy
- Master of Health Science/Advanced Medical Imaging and Leadership
- Master of Health Science/Biomedical Sciences
- Master of Health Science/Physician Assistant
- Master of Health Science/Radiologist Assistant
- Master of Science in Molecular and Cell Biology
- Master of Science in Nursing
- Master of Social Work

School of Health Sciences

Gaylord Specialty Healthcare Scholarship Award

This award is given by Gaylord Hospital to two third-year graduate physical therapy students. The award recognizes students who have exemplified Gaylord Hospital's five values: integrity, compassion, accountability, respect and excellence. These values are the foundation in helping Gaylord provide and achieve the dedicated caring service that has become the hallmark of its employee philosophy.

Dr. Kenneth V. Kaloustian Award

This award is given to a second-year graduate student in the pathologists' assistant program. This award recognizes outstanding performance in both academic and clinical areas of study. The individual is chosen based on high moral character, leadership qualities and a significant contribution to both the program and to Quinnipiac University.

Post-Professional Doctor of Occupational Therapy Achievement Award

This award is given each year to a doctoral student who has completed their program of study and who has demonstrated academic and leadership excellence and the potential for exemplary service to the profession.

William B. Shaffer Jr. Award

The cardiovascular perfusion program presents this award to a graduate student who has exhibited outstanding performance in both academic and clinical areas of study. The individual is chosen based on high moral character, leadership qualities and a significant contribution to both the program and to Quinnipiac University.

Mark F. Tantorski Memorial Award

In memory of Mark F. Tantorski, a 1980 graduate of the physical therapy program, an award is made to a third-year graduate student in physical therapy who has exhibited academic excellence, high moral character and leadership qualities and, through co-curricular activities in the area of physical therapy, has added to their professional growth.

School of Nursing

Holistic Nursing Practice Award

This award recognizes clinical excellence and exceptional potential in the discipline of nursing. It is presented to nursing students who have demonstrated a strong commitment to the unity of body, mind, emotion and spirit in the delivery of health care.

The Keiser Foundation Student Loan Repayment Award

The Keiser Foundation Award is presented after graduation to two senior or graduate nursing students with preference given to United States veterans. The students are chosen based upon financial need, merit and extracurricular commitment in the healthcare field.

Undergraduate Honor Societies

College of Arts and Sciences

Alpha Kappa Delta

Alpha Kappa Delta is an international sociology honor society designed to stimulate scholarship and promote the scientific study of society.

Alpha Psi Omega

Alpha Psi Omega recognizes excellence in all areas of theater study and production. Membership is based on cumulative grade point average and achievement during the university main stage theater production

season in the areas of performance, technical production and theater administration.

Beta Beta Beta Biological Honor Society

The Beta Beta Beta (TriBeta) Biological Sciences Honor Society is a national honor society for students, particularly undergraduates, dedicated to improving the understanding and appreciation of biological study and extending boundaries of human knowledge through scientific research. Since its founding in 1922, more than 200,000 persons have been accepted into the lifetime membership, and more than 626 chapters have been established throughout the United States and Puerto Rico. Undergraduate biology students are invited to become members after the completion of three semesters, in which they have maintained a B average in biology courses and all other courses.

Lambda Epsilon Chi

Lambda Epsilon Chi is the national honor society for Law in Society students and recognizes those students who have demonstrated superior academic performance in a legal studies program.

Phi Alpha Theta History Honors Society

The Quinnipiac chapter runs events on campus for students interested in history. The chapter sponsors trips to historical sites and museums as well as regional and national history conferences. Students are eligible to join if they have Quinnipiac credit for at least four college-level history courses. Three of the history courses must be completed at QU. Students need a 3.00 GPA overall and a 3.10 in history courses.

Phi Sigma Biological Honors Society

Phi Sigma, an international honor society founded in 1915, has 93 active chapters and is a member of the Association of College Honor Societies and the American Association for the Advancement of Science. Members of Phi Sigma, a working guild with a focus on research in biological sciences, are fellows in science who engage in ardent cooperative effort, effective leadership and creative scholarship. To qualify for membership in the Gamma Rho chapter of Phi Sigma, Quinnipiac University students must have completed two years of undergraduate or one year of graduate studies and performed at the top of their class. In addition, students must demonstrate interest and accomplishment in research and be supported by their research faculty mentor. The selection process and induction occurs during the spring semester.

Phi Sigma Tau

Phi Sigma Tau is the International Honor Society in Philosophy. Students in all schools of the university who have taken two or more philosophy courses and maintained a GPA of 3.33 or higher in both their philosophy courses and their overall GPA are eligible for induction into Phi Sigma Tau.

Pi Sigma Alpha

Pi Sigma Alpha, the National Political Science Honor Society, is the only honor society for college students of political science and government in the U.S. The political science program annually nominates juniors and seniors who have excelled both in political science and their overall coursework. Its purpose is to stimulate scholarship and intelligent interest in political science, and to honor political science majors and minors who display leadership and academic achievement.

Psi Chi

Psi Chi is the international psychology honor society, founded for the purposes of recognizing and promoting excellence in the science and application of psychology.

Sigma Delta Pi

Sigma Delta Pi, the national honor society in Spanish, honors students who attain excellence in the study of the Spanish language and the literatures and cultures of Spanish-speaking people. To be considered for membership in Sigma Delta Pi, a student must: be a junior, have a GPA of 3.20 overall, maintain a GPA of 3.20 in all Spanish courses, and have completed 18 credits in Spanish at the 200 level or above, including two semesters of advanced Spanish language courses as well as an advanced course in Hispanic literature or culture.

Sigma Phi Omega

Sigma Phi Omega, the national academic honor society in gerontology, recognizes the excellence of those who study gerontology/aging. The society seeks to promote scholarship, professionalism, friendship and services to older persons, and to recognize exemplary achievement in gerontology/aging studies and related fields.

Sigma Tau Delta International English Honor Society

Sigma Tau Delta's central purpose is to confer distinction upon students of the English language and literature in undergraduate, graduate and professional studies. Our members have the opportunity to be recognized for their outstanding achievements, enrich their education and advance their careers.

School of Business

Beta Alpha Psi

Beta Alpha Psi is an honorary organization for financial information students and professionals. Membership is open to accounting majors and is based on cumulative grade point average and achievement in accounting courses.

Beta Gamma Sigma

Beta Gamma Sigma is the National Business Honor Society. Only schools of business accredited by AACSB International—The Association to Advance Collegiate Schools of Business—may have a chapter of this society. Membership is by invitation only and invitees must be in the top 10 percent of their class.

Financial Management Association International—National Honor Society

The FMA National Honor Society recognizes scholastic achievement of students who have demonstrated superior scholarship. Individuals accepted for membership have the distinction of belonging to the only honorary society that specifically recognizes the achievement of finance majors who demonstrate expertise in finance and financial decision-making.

School of Communications

Lambda Pi Eta

Lambda Pi Eta is the National Communication Association's official honor society. Quinnipiac's Tau Delta chapter seeks to recognize, foster and reward outstanding scholastic achievement; stimulate interest in the field of communication; promote and encourage professional development; provide an opportunity to discuss and exchange ideas in the field of communication; promote closer relationships between faculty and students; and explore options for graduate education in communication studies.

School of Computing and Engineering

eta Pi

eta Pi is the School of Computing and Engineering's honor society for engineering majors. Its goal is to recognize those who have conferred honor upon their alma mater by distinguished scholarship and exemplary

character as students in engineering or by their attainments as alumni in the field of engineering. Student membership is based on scholastic performance and exemplary character.

School of Health Sciences

Alpha Eta Honor Society

The Alpha Eta Honor Society at Quinnipiac University, dedicated to promoting excellence in the allied health professions, is an esteemed organization with a mission to recognize and honor outstanding academic achievements, leadership and service within the health sciences. Membership in Alpha Eta is granted to students who not only demonstrate exceptional scholastic accomplishments, but also exhibit a commitment to community service and leadership. The society upholds stringent criteria for eligibility, including a minimum grade point average requirement and a demonstrated passion for advancing healthcare. By fostering a community of high-achieving individuals, Alpha Eta Honor Society seeks to inspire its members to make meaningful contributions to the field of allied health and maintain the highest standards of professionalism and ethical conduct.

Pi Theta Epsilon

Pi Theta Epsilon is a national honor society that recognizes outstanding scholarship and service to the occupational therapy profession.

School of Nursing

Sigma Theta Tau International Honor Society of Nursing

Tau Rho is the Quinnipiac University chapter of Sigma Theta Tau International Honor Society of Nursing. The mission of this honor society is to advance world health and celebrate nursing excellence in scholarship, leadership and service. Membership is by invitation to undergraduate and graduate students who demonstrate excellence in scholarship and academics.

Graduate Honor Societies

College of Arts and Sciences

Phi Sigma Biological Honors Society

Phi Sigma Biological Sciences Honor Society is a national honor society that promotes research and academic excellence in the biological sciences. Graduate students are invited to become members if they are in the top 30 percent of their class and are actively engaged in, or have participated in, research at Quinnipiac University under the direct supervision of a Quinnipiac faculty member in an area related to the biological sciences.

School of Business

Beta Gamma Sigma

Beta Gamma Sigma is the National Business Honor Society. Only schools of business that are accredited by AACSB International—The Association to Advance Collegiate Schools of Business—may have a chapter of this society. Membership is by invitation only and invitees must be in the top 20 percent of their class.

School of Health Sciences

Alpha Eta Honor Society

The Alpha Eta Honor Society at Quinnipiac University, dedicated to promoting excellence in the allied health professions, is an esteemed organization with a mission to recognize and honor outstanding academic achievements, leadership and service within the health sciences. Membership in Alpha Eta is granted to students who not only demonstrate exceptional scholastic accomplishments, but also exhibit a commitment to community service and leadership. The society upholds

stringent criteria for eligibility, including a minimum grade point average requirement and a demonstrated passion for advancing healthcare. By fostering a community of high-achieving individuals, Alpha Eta Honor Society seeks to inspire its members to make meaningful contributions to the field of allied health and maintain the highest standards of professionalism and ethical conduct.

School of Nursing

Sigma Theta Tau International Honor Society of Nursing

Tau Rho is the Quinnipiac University chapter of Sigma Theta Tau International Honor Society of Nursing. The mission of this honor society is to advance world health and celebrate nursing excellence in scholarship, leadership and service. Membership is by invitation to undergraduate and graduate students who demonstrate excellence in scholarship and academics.
