Counseling Services provides access to care for students seeking help for emotional distress. The goal is to assist students through brief therapy while addressing concerns that may be impacting negatively on academic performance or on the student's quality of life within the university community. Our counselors and part-time psychiatric providers are a resource for students struggling with stress, anxiety, depression, relationship problems, eating disorders and alcohol or drug abuse. Other common problems include difficulty making decisions, low self-esteem, procrastination or the stress of leaving home while adjusting to college life. Counseling staff members are available to assist any student who has been affected through physical or sexual violence or who may be grieving the loss of a loved one.

The following counseling services are available to all undergraduate and graduate students at no cost:

- individual counseling
- diagnostic evaluation
- medication management
- group therapy
- urgent visits
- mental health referrals
- consultation to faculty, staff and medical staff
- telehealth services

Counseling Services is located in the Recreation and Wellness Center on the Mount Carmel Campus. The office is open Monday through Friday from 9 a.m. to 5 p.m. Counseling services are available at all three campuses (Mount Carmel, York Hill Health Center and North Haven Campus).
