## ACCELERATED DUAL-DEGREE BS/MBA (3+1)

Program contact: Kris Hohmann (kristen.hohmann@qu.edu) 203-582-7673

The Accelerated Dual-Degree Bachelor of Science/Master of Business Administration (3+1) is designed for outstanding School of Business students—those who rank in the top 20 percent of their high school class and have a combined critical reading and math SAT score of 1200 or a composite ACT of 27. Students enter the program in their first year and learn at an accelerated pace to earn a bachelor's degree in three years and an MBA in the fourth. This select program features total savings over the traditional five-year BS/MBA option and additional features including:

## **Unique Program Features**

- Total savings of up to 30 percent over traditional five-year BS/MBA option
- An optional residential cohort first-year experience with other fouryear BS/MBA students
- Dedicated resident assistant and study lounge in first-year cohort housing
- · Community-building welcome event in August
- · Dedicated program director
- Scholarship carried from year three to year four, subject to a 3.00 GPA and continued program enrollment

Classes are offered both in a traditional on-campus setting as well as an online MBA option.

The four-year experience includes applied learning experiences such as internships-for-credit and faculty-led international travel in both undergraduate and graduate segments of the program. Options include:

- Undergraduate study abroad, School of Business immersion trips, university seminar travel courses
- · Graduate MBA international travel immersion courses

Students in the Accelerated Dual-Degree BS/MBA (3+1) program must live in one of the university's housing options for the three undergraduate years of the program.

Continuation in the program requires maintenance of 3.00 GPA; 3.25 GPA required to begin MBA courses.

## Admission Requirements: Accelerated Dual-Degree BS/MBA (3+1)

The Accelerated Dual-Degree BS/MBA (3+1) program does not have a separate application process. Students admitted to the School of Business who meet the program criteria will be invited to enter the program. To be considered for this accelerated program, students generally must be ranked in the top 20 percent of their high school class, and must have a total SAT score (critical reading and math) of 1200 or higher, or an ACT composite score of 27 or higher.

Admission to the university is competitive, and applicants are expected to present a strong college prep program in high school. Prospective first-year students are strongly encouraged to file an application as early in the senior year as possible, and arrange to have first quarter grades sent from their high school counselor as soon as they are available.

For detailed admission requirements, including required documents, please visit the Admissions page (http://catalog.qu.edu/general-information/admissions/) of this catalog.

In the summer in the 3+1 program – a student may take up to 7 credits (online) in the summer term. Customarily 6 credits (2 courses) are completed. However, if one of the courses includes a 1-credit lab, 7 credits are permitted.
