

# ARNOLD BERNHARD LIBRARY

---

The Arnold Bernhard Library serves the undergraduate and graduate populations of the university. Approximately 48,000 square feet in size, the library provides 600 seats, 17 group study rooms, 2 study pods, more than 20 student computers, 6 public computer terminals and nearly 600 power/data connections for laptop computers. The library also offers wireless Internet access throughout the building.

In addition to the group study rooms, students at the Arnold Bernhard Library can select from individual study carrels, tables, soft seating and rocking chairs with magnificent views of the Mount Carmel Campus and Sleeping Giant Mountain. A large variety of web-based resources including a substantial number of full text/full image databases and journals are available, as well as printed volumes, microforms and over 500,000 electronic books. The library also has white boards, scientific calculators, anatomy models and games available for checkout.

The Arnold Bernhard Library, the Edward and Barbara Netter Library and the Lynn L. Pantalena School of Law Library work in conjunction with each other to make their numerous resources available to students and faculty on all three campuses. The library also works closely with the Learning Commons and media services department to offer full student support.
